

Koala Lovey

What You'll Need

MC: [Scheepjes Cahlista in 074 Mercury](#) – 2 balls (100% cotton, aran weight, 50g, 85m)

CC: [Scheepjes Cahlista](#) in your choice – 1 ball (100% cotton, aran weight, 50g, 85m)

I used 385 Chrystalline and 256 Cornelia Rose in my samples.

Scrap black, preferably [Scheepjes Cahlista](#) – about 2 metres

4mm/G hook (amigurumi parts)
6mm/H hook (mini-blanket)
5mm/J hook (border of mini-blanket)
Toy filling (or you can stuff the head with scrap yarn or anything you have at home that will be a bit squishy)
Stitch markers

Measurements

Mini-blanket: 16 rows and 17sts over 10 cm/4in in YUSC

Head: not important, but stitches should be tight, so use at least a hook size down from what the yarn recommends.

Tension

Mini-blanket – 30 x 30cm blocked

Notes

This pattern is worked both amigurumi style in continuous rounds (with no joining) and sewn together to make the koala's head, and also back and forth in rows using the yarn under colourwork technique to make the mini-blanket.

Work instructions inside parentheses (...) the indicated number of times.

Special Abbreviation

YUSC (yarn under single crochet) is a colourwork technique using two strands of working yarn. To work the stitch insert hook with mc, yoh, pull up a loop, with cc yoh from front to back (keeping cc in front of mc), with mc yoh, pull through 3 loops.

Round 3 (3HDCInc, 3SC) twice, SS to join (18)

Cut yarn, leave long tail to sew to head and make eyes.

Mini Blanket

Working back and forth in rows using both MC and CC, 6mm hook

See short video tutorial [here](#).

Row 1 MC, ch42

Row 2 YUSC in third loop and each ch across to end (40)

Row 3 ch1 (does not count as a st), YUSC to end (40)

Row 4-42 rep row 3 (40)

Cut MC and continue working the border in CC.

Border

Working in rounds 5 and 6mm hooks

Round 1 turn, with 6mm hook, work 40SS loosely across to corner, ch1, 40SS across the rows (note, there are two more rows than border sts, so you will need to "lose" two sts). Continue around to end and ch1 and SS to 1st st of the round.

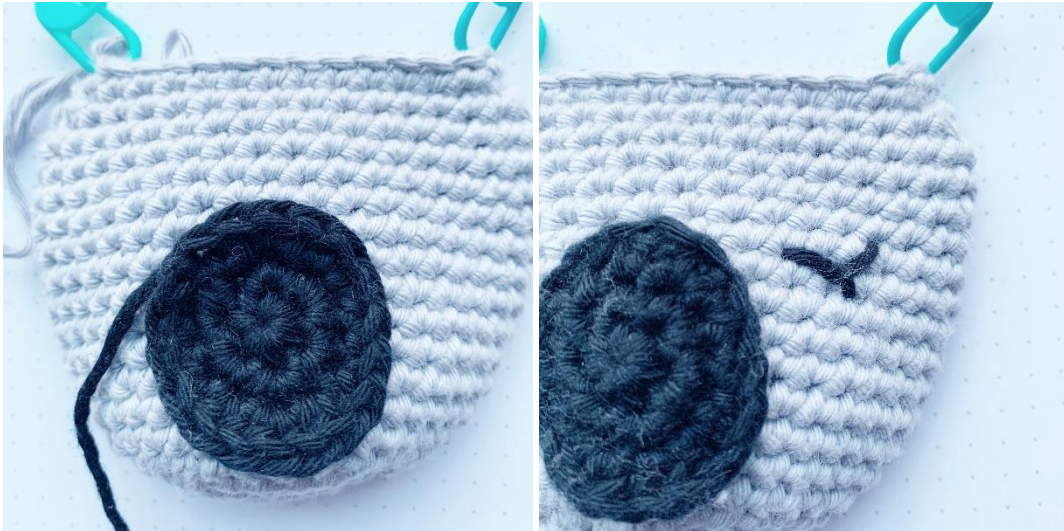

Round 2 change to 5mm hook, ch2, working into the SS, [DCto corner ch (DC, ch1 DC) in flo of corner ch], rep around to end, SS to join. Cut yarn.

Round 3 flip your work so the back is facing you, SS to join at a corner, ch2, DCin the back of the SS from round 1, rep round 2.

Round 4 now we'll join the two rounds. Ch1, SC in the flo of round 3 sts and the corresponding blo from round 2 sts to join the two rounds together. Rep to corner, 3SC in the corner ch, then rep all the way round to end. Ss to join, cut yarn, weave in ends and block.

Assembly

Position nose 7 rounds below opening at mid-point between markers, sew to head. Make eyes 1 st to the side of the nose, 3 sts wide and slightly angled (1 round) upwards at the outer side. Fasten the eye loop on row below to fix it in place.

Stuff the head with toy filling and sew shut. Attach ears to side of head on an angle, 3 sts in from the sides of the sewn shut head.

Sew the head to the middle of the blanket, either using the leftover yarn tails, or a new length of yarn, using round 3 of the head as your guide.
